The Vacation Ownership Expenses are the expenses incurred by the Association in operating, maintaining and managing the Vacation Ownership Plan and are payable solely by Owners of Vacation Ownership Units. All expenses of owning, operating and managing the Hotel Units (e.g., housekeeping of hotel rooms) are paid directly by the Owner(s) of the Hotel Units and are not included in the Association's Budgets.

2. Property Management Subcontract - Certain of the variable and semi-variable expenses related to the provision of certain services to the Condominium as set forth in the 2024 Estimated Annual Operating Budget, including expenses for housekeeping, maintenance, and front desk operations, may be lower than they otherwise would be if such services were being provided only to the Condominium instead of included in a property management subcontract that takes into account that the services are also being provided to Hotel Units and hotel rooms that are not part of the Condominium.

Provided DVD timely performs its obligations under the Maintenance/Subsidy Agreement, DVD's payments thereunder to the Association shall satisfy fully its obligation to pay assessments attributable to each Ownership Interest owned by DVD. However, any expenses incurred during the calendar year resulting from a natural disaster or an act of God and/or required repair or replacement of damage to the Condominium, which are not covered by insurance proceeds from the insurance maintained by the Association, will be assessed against all Owners on the date of such natural disaster, act of God or other damage, or their successors or assigns, including DVD as to its unsold Ownership Interest. The Maintenance/Subsidy Agreement shall automatically be renewed for successive one-year periods unless DVD elects to terminate the Maintenance/Subsidy Agreement upon thirty (30) days prior written notice to the Association.

2. Shared Facilities - The use of certain facilities, including without limitation, hotel check-in facility, back office facilities, telephone equipment rooms, etc., are being provided to the Resort pursuant to the terms of either the Property Management Agreement or the Master Declaration as a shared area, the cost of operating and maintaining such facilities being apportioned among its users including Owners. If the Resort was required to provide such facilities within the Condominium Property and solely for the use and benefit of the Owners, the cost of operating the Condominium Property would increase.
3. Books and Records - The books and records for the Association are maintained at: 215 Celebration Place, Suite 300, Celebration, Florida 34747. The person responsible for the upkeep and custodianship of the books and records of the Association is the Treasurer of the Association, (407) 566-3000.
4. Related Party Transactions - DVD is a Florida corporation and a related entity of The Walt Disney Company ("TWDC"), a Delaware corporation. DVD acquired a term-for-years interest in certain property, located in Anaheim, California. DVD developed the Condominium on the property, and sells ownership interests in Condominium units, as part of the vacation ownership plan. DVD developed the Condominium under the terms of a ground lease by and between Walt Disney Parks and Resorts U.S., Inc. ("WDPR"), a Florida corporation (formerly Walt Disney World Co.), its successors and assigns, as successor by merger to Walt Disney World Hospitality & Recreation Corporation, ("WDWHRC"), and DVD. WDPR is also a subsidiary of TWDC. The terms of the ground lease permit DVD to develop certain real property in Orange County, California, for the purpose of offering prospective purchasers ownership interests in Condominium units as part of the vacation ownership plan. Unless otherwise extended, the ground lease will expire on January 31, 2060 and vest to the benefit of WDPR.

Certain directors or officers of DVD or Disney Vacation Club Management, LLC ("DVCM") serve on the Board or as officers of the Association. Certain directors or officers of the Association are also employees of TWDC or its affiliates.

DVD retains no less than 2 percent of the total ownership interests in each unit declared in the Condominium and is responsible for annual dues with respect to its retained or unsold ownership interests. DVD has retained ownership interests equivalent to approximately 22,756 vacation points. In addition, DVD had unsold ownership interests equivalent to approximately 197 vacation points as of December 31, 2022. During the year ended December 31, 2022, DVD annual dues paid to the Association were \$142,402.

As of December 31, 2022, the amount due to DVD of \$167,095 is primarily related to transient occupancy tax paid on behalf of the Association by DVD.

DVCM, a Florida limited liability company, is the manager of the Association and is also a subsidiary of TWDC.

Management fees payable to DVCM are 12 percent of the total annual operating and reserve budget exclusive of real estate taxes, transportation fees, and the management fee, itself. Management fees incurred during the year ended December 31, 2022, were \$784,385.

DVCM has entered into an agreement with the Association whereby DVCM may operate a resort hotel operation with respect to the rental of unreserved accommodations in the Condominium. Proceeds, resulting from the rental of unreserved accommodations, are retained by the Association up to an amount equal to 2.5 percent of the adjusted operating and reserve budget, as defined, in each calendar year, as breakage revenue. During the year ended December 31, 2022, the Association received \$187,716 in breakage revenue.

Substantially all operating expenses have been allocated to the Association from DVCM, and certain operating expenses have been rendered by or incurred through other TWDC entities.

Amounts due to or from DVCM are payable in full and due on demand. As of December 31, 2022, the amount due from DVCM of \$221,592 related to annual dues collected but not yet remitted to the Association, net of allocable expenses.

5. Management Agreement - The Association currently has a three-year management agreement ending on December 15, 2025 with DVCM. The management agreement automatically renews for successive periods of three (3) years each, upon its scheduled expiration, unless either party gives the other written notice of nonrenewal, as stipulated in the agreement. DVCM provides on-site management and maintenance services, and off-site administrative and accounting services.

Pursuant to the management agreement, DVCM has been delegated the authority by the Association to provide all services, through employees and experts retained by it, incidental to the management and operation of the Condominium. In connection therewith, substantially all operating expenses have been allocated to the Association from DVCM. However, certain operating expenses may be incurred through other TWDC entities.

6. Vacation Homes - Wherever used throughout this budget, the term Vacation Home does not include studio or one bedroom accommodations that comprise part of a two bedroom lockoff Vacation Home.

Estimated Ad Valorem Taxes for January 1, 2024 through December 31, 2024

The amount of ad valorem taxes assessed against the Condominium as a whole will be determined by the Orange County Assessor. The estimated ad valorem tax assessments to be included on your 2024 Annual Dues billing statement will be \$1.0567 per Vacation Point. This is DVCM's best estimate of the actual taxes, which will be assessed for the tax year 2024. DVCM does not certify this ad valorem tax estimate. Each Owner is responsible for his or her per Vacation Point share of the actual tax bill received each year from the tax collector's office. Any difference between the tax estimate and actual taxes paid on the Owner's behalf will be applied towards the Owner's subsequent year's tax assessment. Section 2 of Article XIII A of the California Constitution (enacted by Proposition 13) establishes an acquisition-value assessment system. It provides that real property is to be assessed at its value when acquired through a change of ownership or by new construction. Thereafter, increases in the taxable value of property are limited. As a result, similar properties may have different taxable values. However, the Condominium Documents permit the Association to allocate Ad Valorem Taxes in any equitable manner, including in the same manner in which Common Expenses are allocated. For tax year 2024, the ad valorem taxes are allocated in the same manner as Common Expenses are allocated (on a per Vacation Point basis). In the future, ad valorem tax assessments may be specifically assessed against each Ownership Interests which would result in Owners paying different amounts of taxes depending on when Owners purchased their Ownership Interest.

2024 Estimated Annual Dues Assessment

The estimated Annual Dues for the year January 1, 2024 through December 31, 2024 are \$8.5544 per Vacation Point, which is comprised of the estimated Annual Operating Budget (\$6.0799 per Vacation Point), the estimated Annual Capital Reserves Budget (\$1.4178 per Vacation Point) and the estimated ad valorem taxes (\$1.0567 per Vacation Point). The total amount of Annual Dues paid by a Purchaser or Owner is determined by multiplying the total number of Vacation Points represented by the Ownership Interest purchased by \$8.5544. For example, if the Ownership Interest is represented by 230 Vacation Points, the estimated Annual Dues would be \$1,967.51.
