

REVISIONS DATED 12/2021
DISNEY'S BOARDWALK VILLAS COMPONENT SITE PUBLIC OFFERING STATEMENT

The following revisions have been approved by the Division of Florida Condominiums, Timeshares, and Mobile Homes and are immediately incorporated into the Disney Vacation Club at Disney's BoardWalk Villas Component Site Public Offering Statement (Rev. 12/30/2013). All other terms of the Component Site Public Offering Statement shall remain in full force and effect.

Exhibit 0 - Public Offering Statement Text

- Paragraph 4a(1) was updated to reflect William C. Diercksen replacing Terri A. Schultz as General Manager and Senior Vice President of DVD.

- Paragraph 4(a)(3) was updated to reflect the Property Management Fee according to the 2022 estimated budget.
As set forth in the Property Management Agreement, DVCM will be compensated for its site management services by receiving an annual management fee equal to a percentage of the Dues Assessment Revenue plus the total Capital Reserves Budget contained in the Estimated Budgets exclusive of the management fee itself and transportation fees (if applicable). It is anticipated that, for the year of current operation at Disney's BoardWalk Villas, DVCM will receive an annual management fee equal to twelve percent (12%) of the Estimated Budgets, which is equal to the sum of \$262,822 per month or \$3,153,869 per year. This percentage level for compensation may not be increased without the approval of the Board of Directors controlled by DVD; however, the actual compensation received by DVCM for these services will increase as the Estimated Budgets increase.

- Paragraph 6(b) was updated to reflect the 2022 estimated budget.
b. Developer Guarantee. DVD has agreed to guarantee to each Purchaser and Owner that they will only be required to pay an assessment for operating and reserves expenses of \$6.5410 per Vacation Point through December 31, 2022, exclusive of ad valorem taxes which are billed separately. In consideration of this guarantee and pursuant to Florida law, DVD will be excused from the payment of its share of the Expenses which otherwise would have been assessed against its unsold Ownership Interests during the term of the guarantee. As a consequence of this exemption, during the term of this guarantee, existing Owners and current Purchasers will not be specially assessed with regard to Common Expenses, except as provided herein, if Common Expenses exceed the guarantee per Vacation Point amount and DVD will pay any difference between actual expenses and assessments collected from all Owners and income from other sources. Amounts expended for any insurance coverage required by law or the Condominium Documents to be maintained by the Association and depreciation expense related to real property shall also be excluded from the calculation of the Developer obligation except that for real property used for the production of fees, revenue or other income depreciation expense shall be excluded to the extent they exceed the net income from the production of such fees, revenue or other income. DVD will pay such expenses as needed to meet expenses as the expenses are incurred. However, any expenses incurred during the guarantee period resulting from a natural disaster or an act of God, which are not covered by insurance proceeds from the insurance maintained by the Association, will be assessed against all Owners owning Ownership Interests on the date of such natural disaster or act of God, or their successors or assigns, including DVD; provided that during any period of time DVD controls the Association pursuant to Section 718.301, Florida Statutes, the Association maintains all insurance coverages required by Section 721.165, Florida Statutes. Any special assessment imposed for amounts excluded from the guarantee pursuant to this paragraph shall be paid proportionately by all Owners, including DVD with respect to the Ownership Interests owned by DVD, in accordance with the Condominium Documents. DVD reserves the right, but is under no obligation, to extend and increase the amount of this guarantee for one or more periods of one (1) year each after the expiration of this guarantee period on December 31, 2022, as permitted by Florida law. Therefore, the 2022 annual assessment (exclusive of ad valorem real estate taxes) will be calculated by multiplying the number of Vacation Points associated with your Ownership Interest by \$6.5410 per Vacation Point.

DVCM, a Florida limited liability company, is the manager of the Association and is also a subsidiary of TWDC.

Management fees payable to DVCM are 12 percent of the total annual operating and reserve budget exclusive of real estate taxes, transportation fees, and the management fee, itself. Management fees incurred during the year ended December 31, 2020, were \$2,774,249.

DVCM provides on-site management and maintenance services, and off-site administrative and accounting services.

Pursuant to the management agreement, DVCM has been delegated the authority by the Association to provide all services, through employees and experts retained by it, incidental to the management and operation of the Condominium. In connection therewith, substantially all operating expenses have been allocated to the Association from DVCM. However, certain operating expenses may be incurred through other TWDC entities.

Estimated Ad Valorem Taxes for January 1, 2022 through December 31, 2022

The amount of ad valorem taxes assessed against each Unit will be determined by the Orange County Property Appraiser's Office and the Reedy Creek Improvement District Appraiser, respectively. The estimated ad valorem tax assessments to be included on your 2022 Annual Dues billing statement will be \$1.5392 per Vacation Point. This is DVCM's best estimate of the actual taxes which will be assessed for the tax year 2022. DVCM does not certify this ad valorem tax estimate. Each Owner is responsible for his or her per Vacation Point share of the actual tax bill received each year from the tax collector's office. Any difference between the tax estimate and actual taxes paid on the Owner's behalf will be applied towards the Owner's subsequent year's tax assessment.

2022 Estimated Annual Dues Assessment

The estimated Annual Dues for the year January 1, 2022 through December 31, 2022 are \$8.0802 per Vacation Point, which is comprised of the estimated Annual Operating Budget (\$5.2795 per Vacation Point), the estimated Annual Capital Reserves Budget (\$1.2615 per Vacation Point) and the estimated ad valorem taxes (\$1.5392 per Vacation Point). Total amount of Annual Dues paid by a Purchaser or Owner is determined by multiplying the total number of Vacation Points represented by the Ownership Interest purchased by \$8.0802. For example, if the Ownership Interest is represented by 230 Vacation Points, the estimated Annual Dues would be \$1,858.45.
